

Request for Proposals

City of Balch Springs

13503 Alexander
Balch Springs, Texas 75181

Bid Type: Purchase Equipment

Bid Posting: Wednesday January 20, 2020

Bid Deadline: Friday February 9, 2020 at 5:00 p.m.

Scope of Work: Purchase new Godwin CD225M Dri-prime 8" trailer mounted dewatering pump to replace older, unreliable 6" Gorman Rupp pump currently in the fleet.

Pump Specifications: The City of Balch Springs is considering proposals to purchase a new Godwin CD225M Dri-prime 8" trailer mounted dewatering pump. All bids must at least meet the following minimal requirements:

- Godwin CD225M Diesel Pump
- 8" 150# Flange Suction and Discharge
- John Deere 4045HFC04 FT4 99HP Diesel
- Highway trailer
- Electric Brakes
- 3" Pintle
- DOT lights
- (2) two 8" x 20' black water suction hose with QD fittings
- (6) six 8" x 50' heavy duty lay flat hose with QD fittings
- 8" large hole suction screen with male QD

Warranty: Please include all factory warranty information from Godwin as well as any additional warranty information provided by the distributor if applicable.

Bid Submitting Specifications: This is an open bid. The City of Balch Springs reserves the right to reject any bid that fails to meet the minimum specifications for this piece of equipment. This purchase will be awarded based on Best Value considerations, including price, reputation of the bidder, quality of services, the bidder's past relationship with the City, and other factors described in Sec. 252.043, Texas Local Government Code. Once your bid is completed, please email

it to William Freeman, Director of Public Works for City of Balch Springs at wfreeman@cityofbalchsprings.com.
